

Indie Fest Deadline: April 29, 2011

Best of Show

Courage Films P/L (Australia), *I Wish I Were Stephanie V*, feature film in which a 21 year-old virgin is being raised by her crazy matchmaking Greek grandmother provides hilarious romantic comedy. The film has a strong storyline and the outstanding casting makes for strong character development. This film is an audience pleaser. <http://vimeo.com/21961928>

Last House Productions, *The Bully*, short film is a rich journey into the complications that happen during childhood. In an attempt to win favor with a popular girl the 10 year-old protagonists take on the school bully. The film is about being exposed to adult situations and discovering that world is flawed. Powerful child actors create roles that stick with you. <http://vimeo.com/15004645>
