

## Indie Fest Deadline: July 29, 2011

### Best of Show

**Peter Sasowsky**, *Heaven + Earth + Joe Davis*, feature documentary, is the story of a peg-legged philosopher/artist who is driven to pursue deep questions that others often think fanciful. It is about the impact of his imagination on those around him. Viewers will find the film absorbing and engaging. [www.joedavisthemovie.com](http://www.joedavisthemovie.com)

**Too Nice Guys Productions**, *Termite: The Walls Have Eyes*, feature film, is the story of a troubled girl who can't tell the voices in her head from the sounds in the walls. The film is filled with beautiful girls, screams, suspects and laughs. It includes a breakout performance by talented actress Jennie Marie Pacelli.
